

ESOF: Towards TRIESTE 2020

“*Freedom for science, science for freedom*”

Sailing through the wonders of Astrobiology
Veli Losini, Croatia, 25-29 September 2017

THE ANNOUNCEMENT

EuroScience and the ESOF Supervisory Board
are proud to announce that the EuroScience Open Forum 2020
will be hosted from 4-10 July 2020

in TRIESTE

Trieste has seen the development of important International and
National research institutes for

research, technology transfer and the dissemination of science

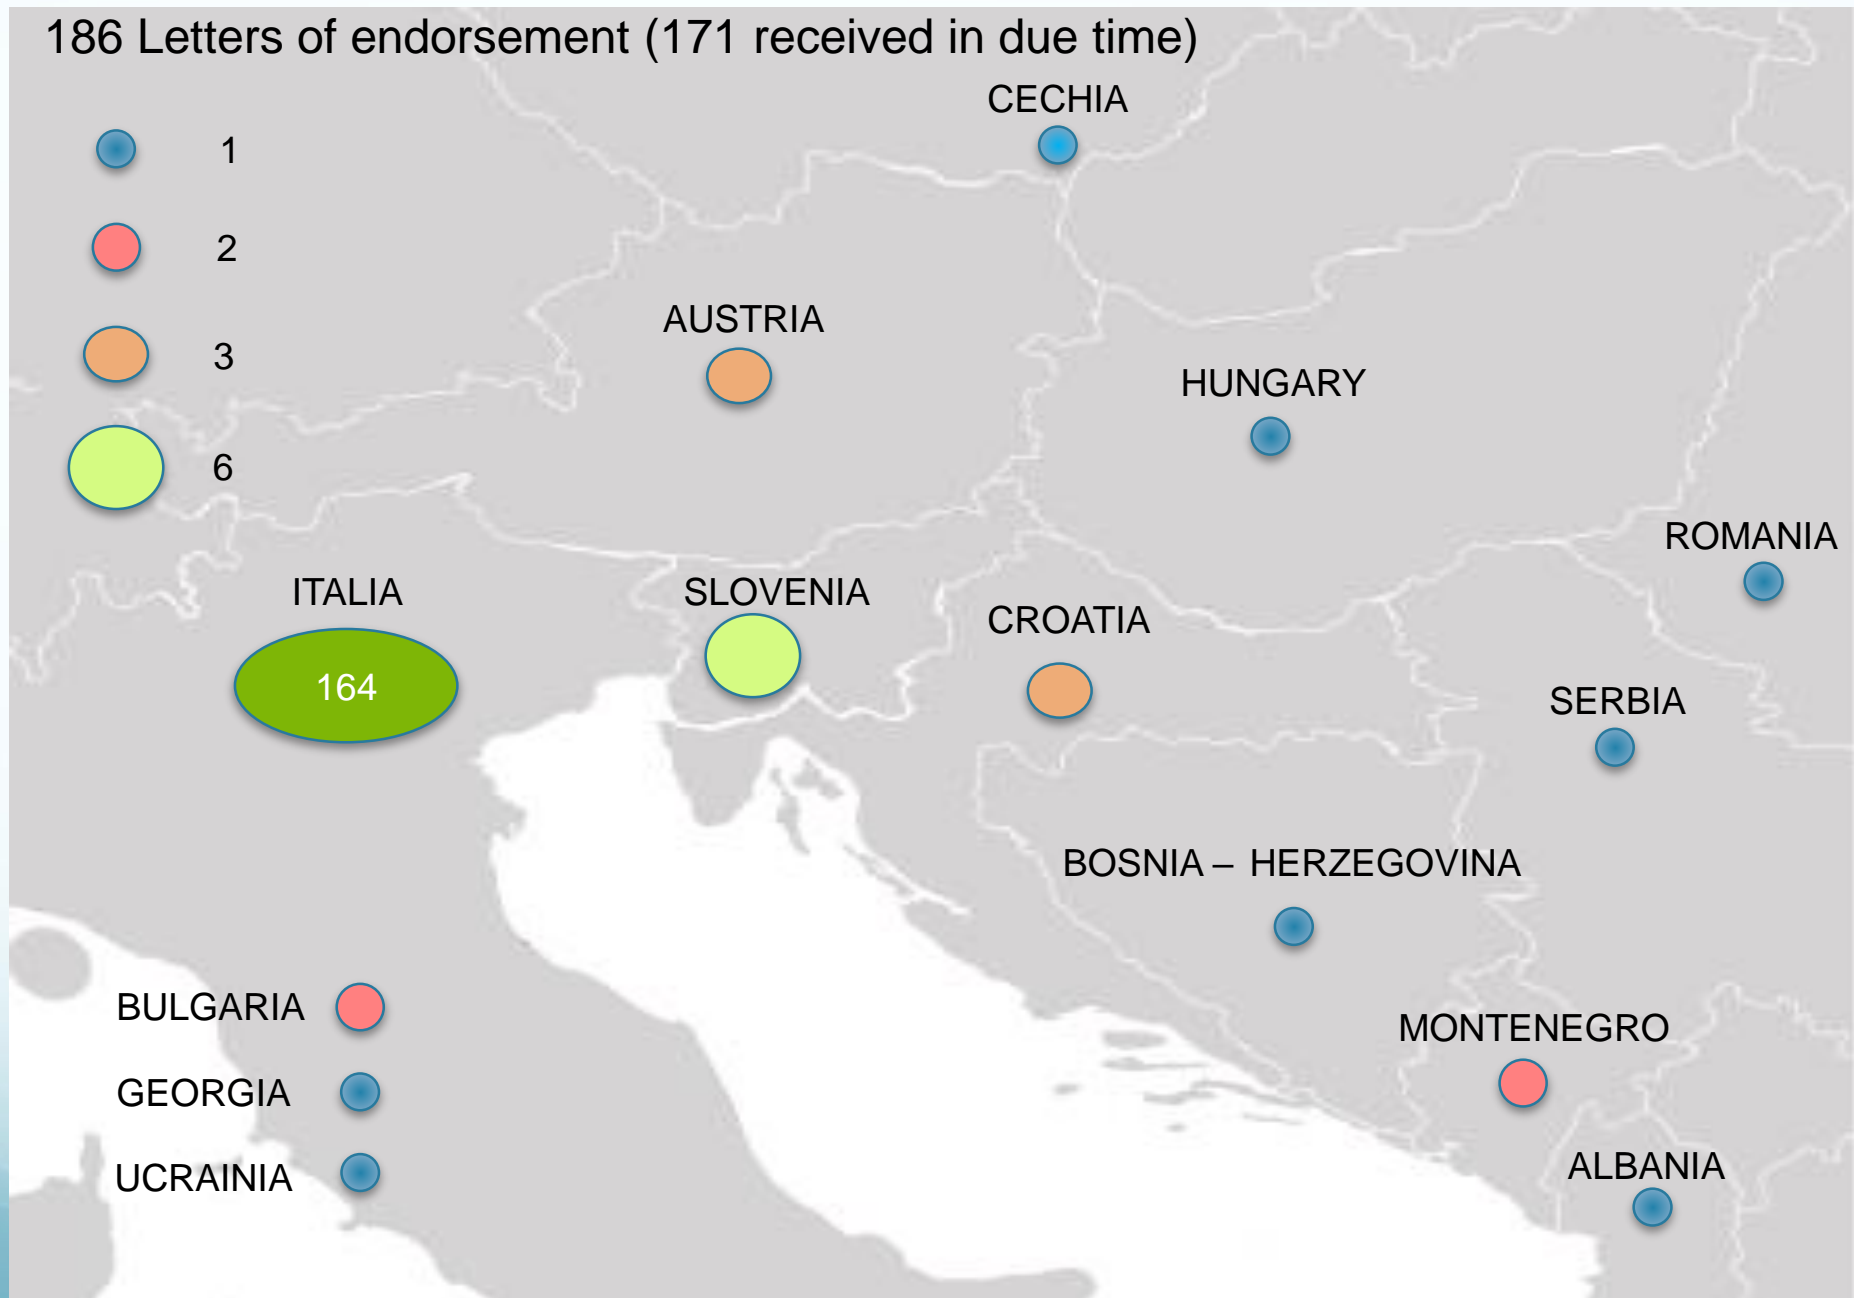

in Trieste, bringing to the city a concentration of research workers among
the highest in the world.

As a Central European city, Trieste will work to make ESOF2020 an
example of strengthening links with Central and Eastern European scientists,
businesses, politicians and citizens.

THE ESOF2020 TRIESTE TEAM

186 Letters of endorsement (171 received in due time)
